

Bartholomew Cast Iron

570mm High

Specialist UK Manufacturer of Cast Iron Radiators

Paladin Radiators

Our Bartholomew cast iron radiator is a timeless, plain classic cast iron radiator. Paladin Radiators have faithfully recreated this cast iron radiator from an old hospital radiator from the Victorian era hence we have named this radiator after the famous St Bartholomew hospital in London. A very handsome and traditional cast iron radiator with simple curvaceous design offering a contemporary feel for the more modern home as well as an authentic smart feel for the period room or barn conversion. A truly versatile and timeless classic.

For the Bartholomew cast iron radiator there are many options to custom finish this old hospital radiator and transform the plain sweeping shape into a magnificent stylish feature within a room for your home. The Bartholomew cast iron radiator is also available in 740mm High.
