

Clarendon Cast Iron

740mm High

Specialist UK Manufacturer of Cast Iron Radiators

Paladin Radiators

Our Clarendon cast iron radiator is a traditional Victorian old school cast iron radiator carefully reproduced to be an exact copy of the original, a true classic.

Our Clarendon cast iron radiator is named after the Clarendon group of old schools which include Harrow, Eton and Winchester. Being so classic yet plain the Clarendon cast iron radiator lends itself for both contemporary and traditional settings.

Clarendon is also available in 440mm High.

Code	Sections	Length (mm)	Output		Weight (Kg)	Water Content (Ltr's)
			75 / 65 / 20			
			Watts	BTU's

Lengths quoted are given in good faith, are overall including bush ends. However, due to the nature of the manufacturing process tolerances can and should be expected. Quoted dimensions should therefore only be used as a guideline.
